

**Kordula Świętorzecka** – Dr. hab., professor CSWU, chair of the Department of Logic in Institute of Philosophy, Cardinal Stefan Wyszyński University in Warsaw (<http://www.filozofia.uksw.edu.pl/>).

Author and co-author, editor and co-editor of books:

- *Jan Salamucha, Knowledge and Faith. Collected Works* (in English, co-ed.: J. Jadacki) 2003;
- *Elementy logiki prawniczej (Elements of logic of law*, co-authors: E. Nieznański, A. Wójtowicz, T. Chodkowski);
- *Classical Conceptions of the Changeability of Situations and Things Represented in Formalized Languages* (in English) 2008;
- *W kierunku formalizacji filozofii klasycznej: inspiracje i kontynuacje, (Towards formalization of classical philosophy: inspirations and continuations*, co-ed.: J. Krokos, R. Tomanek) 2008;
- *U podstaw analizy filozoficznego dyskursu z wykorzystaniem interpretacji Władysława Tatarkiewicza (Fundamentals of analysis of philosophical discourse using the interpretation of Władysław Tatarkiewicz*, co-author and co-ed.: E. Nieznański) 2010.

Author of articles about formal ontology, logical semantics, modal logic and history of Polish analytic philosophy (published among others in: *Studia Philosophia Christianae, Filozofia Nauki, Polish Journal of Philosophy, Bulletin of the Section of Logic, Logic and Logical Philosophy, Journal of Applied Non-Classical Logics, Przegląd Filozoficzny*).

Fields of interests and researches:

- modal logics – especially: logics of change, epistemic logics;
- formal ontology – basic ontological notions and their classical and modern systems;
- history of Polish analytic philosophy;
- semantical paradoxes;
- logic of law – especially: logical conditions of correctness of definitions, reasonings and classifications;
- certain issues concerning the methodology of philosophy – especially: applications of theory of definitions, theories of divisions, classifications and systematics.
