

**Tadeusz Szubka** – dr habil., professor and head of Philosophy Institute at the University of Szczecin, Poland, a member of the presiding board of the Committee on Philosophy of the Polish Academy of Sciences. Among his numerous publications are four books:

- *Metafizyka analityczna P.F.Strawsona (The Analytic Metaphysics of P.F. Strawson)*, 1995,
- *Antyrealizm semantyczny. Studium analityczne (Semantic Antirealism: An Analytic Study)*, 2001,
- *Filozofia analityczna. Koncepcje, metody, ograniczenia (Analytic Philosophy: Conceptions, Methods, and Limitations)*, 2009,
- *Neopragmatyzm (Neopragmatism)*, 2012.

He is working currently – as a laureate of the Programme „Mistrz” sponsored by the Foundation for Polish Science – on issues in philosophical methodology, and on the second revised and updated edition of his anthology *Metafizyka w filozofii analitycznej (Metaphysics in Analytical Philosophy)*.
